## NTIC ANNOUNCES STRATEGIC PARTNERSHIPS WITH IWS ONLINE SCHOOL

Nigerian Tulip International College (NTIC) is delighted to announce a new partnership with Infinite Wisdom School (IWS), the first Cambridge Accredited Online School and provider of world-class international education. This collaboration marks a significant milestone in NTIC'S mission to deliver top-tier education globally. The future of education is changing and NTIC and IWS are spearheading this change.

### Unveiling New Opportunities for Global Learning

The partnership with IWS aligns with NTIC'S commitment to expand its reach and enhance the quality of education offered to students worldwide. This collaboration will introduce a range of new opportunities, including:

- **Enhanced Curriculum:** Allowing students to study the world's most studied international curriculum alongside their national qualifications.
- **Cultural Summer Programmes:** Facilitating cross-cultural interactions and learning experiences for students.
- **Joint Educational Initiatives:** Developing programmes and initiatives that leverage the strengths of both NTIC and IWS.

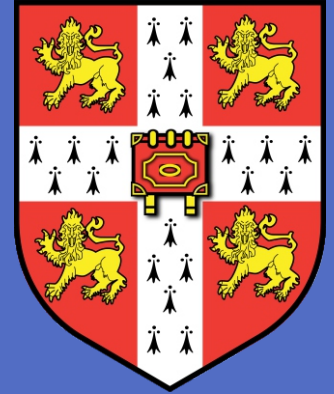

### A Shared Vision for Excellence in Education

“We are excited to embark on this journey with NTIC. This partnership transcends mere collaboration; it represents a fusion of our shared values and visions. Together, we are committed to providing exceptional international education, making high-quality learning affordable, and crafting personalised educational pathways for our students. This collaboration opens new doors, not just for our institutions, but for students across the world. We're opening a world of limitless possibilities for learners everywhere, inspiring them to reach new heights and shape a better tomorrow.” said Cigdem Karaman, CEO of IWS.

### About IWS Online School

IWS Online School is a true pioneer in online education, as the first online school to be accredited to offer Cambridge International Education to students around the world. This accreditation is an indication of academic excellence and is held in high esteem by the world's top ranked universities, including Russell Group and Ivy League institutions. This valued recognition represents IWS' commitment to bringing students a supreme level of education and upholds that the high-quality online schooling they deliver is a revolutionary way for children and learners around the world to reach their academic potential. With a focus on flexibility, innovation, and quality, IWS is dedicated to shaping the future of education and nurturing the next generation of global citizens.

# WHY CHOOSE CAMBRIDGE INTERNATIONAL EDUCATION?

Cambridge International Education is recognised worldwide for its excellence and rigour. Here's why you should choose it for your child:

1. **Global Recognition:** Cambridge qualifications are widely acknowledged and respected by universities and employers across the globe. They serve as a passport to the world's most prestigious institutions.

## What is Cambridge IGCSE?

Cambridge IGCSE is the world's most popular international qualification for students up to age 16. It is taken in over 140 countries and in more than 4500 schools around the world. IGCSEs are subject-based qualifications, usually taken over a two-year period and assessment takes place at the end of the course. Schools worldwide have been involved in the development of the course. Cambridge IGCSE helps students to develop knowledge, understanding and skills in subject content and intellectual enquiry. The programme has been designed for students worldwide, including those whose first language is not English. Cambridge IGCSE is a great foundation for further study, including Cambridge International A Levels, which are the next step on The Cambridge Pathway. It also helps improve future performance by developing skills in creative thinking, enquiry and problem-solving.

## Opening Opportunities Worldwide

A Cambridge IGCSE qualification is recognised by leading universities around the world and employers view it as a valuable certificate of achievement. In the UK, Cambridge IGCSE is accepted as equivalent to the IGCSE. A good grade (grade C or above) in Cambridge IGCSE English as a Second Language is accepted for entry by a number of universities in the UK as evidence of competence in the English language

# HOW WE TEACH

## A MODERN APPROACH TO LEARNING

At IWS, we harness the power of cutting-edge online platforms to deliver lessons meticulously crafted by native teachers. Our flexible, live sessions transcend traditional boundaries, allowing students to engage and learn from the comforts of their own home or any location beyond conventional school settings.

## Interactive Digital Platforms

We employ an array of modern digital tools and platforms that create an engaging online classroom environment. From interactive presentations to educational games, each session is designed to be both educational and enjoyable, fostering an atmosphere where students are eager to learn.

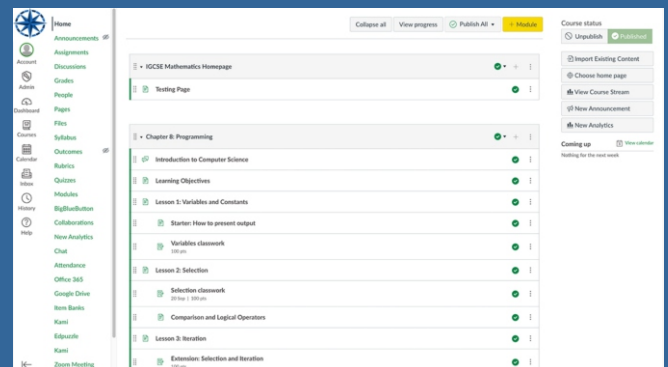

## Live & Recorded Lesson

To accommodate different learning paces and styles, we provide both live and recorded sessions. The live lessons foster real-time interaction, allowing students to ask questions and receive immediate feedback. Meanwhile, the recorded sessions enable students to revisit material at their convenience, ensuring they fully grasp the concepts and can use them as a revision tool.

## Personalised Learning Management System (LMS)

Each student receives a dedicated account on our Learning Management System. This platform acts as a central hub for all educational resources, assignments, and feedback. Students can access it anytime, from anywhere, making it easy for them to review lessons, complete assignments, and track their progress. In merging traditional teaching methods with advanced digital tools, we provide an education that prepares students for the future, while ensuring they excel in the present.

## Success Coaches Discover, Create, and Lead

Upon enrolment, each student is assigned a Success Coach who diligently monitors their progress and well-being throughout the programme. Acting as the main point of contact for parents, the Success Coach ensures consistent communication, keeping families informed and involved. Additionally, they facilitate tailored support and resources, including organising supplementary courses when needed, to help every student thrive.

**Discover** - Our Success Coaches guide students through four essential assessments, enabling them to discover their unique strengths and potential. This personalised support empowers each student to achieve their goals and fully realise their potential.

**Create** – Our Academics team design personalised learning paths enriched with interactive activities, aiming to boost each student's learning and creativity. This tailored approach ensures a vibrant and engaging educational experience, allowing every learner to thrive.

**Lead** – Our student-led clubs, internships, and community events provide practical opportunities to enhance leadership skills. Engaging in these initiatives fosters responsibility and confidence, preparing students for success in various life aspects.

With the guiding principles of discovery, creation, and leadership, our Success Coaches offer a holistic roadmap, preparing students for today's challenges and tomorrow's opportunities.

# HOW TO ENROL YOUR CHILD: A SIMPLE GUIDE FOR PARENTS

We understand the importance of a seamless enrolment process for your child's educational journey. Here's how you can get started:

**Stage 1:** Please contact our Admissions team via the contact below

**Stage 2:** Review the courses we offer and select the one that aligns with your child's age/grade group. If your child will be completing the IGCSE or A-Level course, there's a registration fee of £100. This covers your child's initial tests and ensures they receive ongoing guidance and career support from our dedicated Success Coaches.

**Stage 3:** Your child will then need to complete the initial tests. This helps us gauge their current academic level and ensures we provide the most tailored experience possible.

**Stage 4:** Once all the prerequisites are met, your child can officially enrol and commence their exciting educational journey with us.
